COLORADO MORTGAGE LENDERS ASSOCIATION 36th ANNUAL CONVENTION

August 4-6, 2009
The Lodge at Vail • Vail, Colorado

Dear CMLA members and friends,

The time is near for CMLA's 36th Annual Convention in beautiful Vail, Colorado!

After several very challenging years for our industry, we are finally on the up-swing! For many of us, among the reasons we succeed, cycle after cycle, are the lessons we have shared and learned from each other as we worked together at our businesses and at the CMLA. We know that a strong professional community makes us stronger!

As Chairman-Elect, it is my honor and privilege to announce our 2009 Convention... the quintessential networking opportunity for Colorado's mortgage professionals. Please accept the invitation of CMLA's Board of Directors, Officers and staff to join us to renew old friendships and to make some new ones as well; all while enjoying the singular ambiance of summer days and summer nights in Vail. There will be multiple golf and social opportunities to enhance your Convention experience along with some great guest speakers addressing the important issues facing our industry today.

We have a few new twists to the program and a better location for the event ...IN VAIL VILLAGE proper, just down the street from the covered bridge! I look forward to seeing you in Vail!

Best regards,

VAIL VALLEY ACTIVITIES

Need to get away and unwind? Enjoy a leisurely hike along wildflower paths, bike along Gore Creek, or raft and kayak through whitewater rapids. Or, have fun playing disc golf, laser tag or experience the rebound trampoline at Adventure Ridge on Vail Mountain. There's plenty to do in Vail in the summer!

Golf in the Vail Valley...

Cotton Ranch Golf Club

Set in idyllic Gypsum Creek Valley and surrounded by the snowy peaks of the Colorado Rocky Mountains, Cotton Ranch offers golfers an opportunity to play the only Pete Dye Signature Course in the Vail Valley. Postcard scenery abounds, and the "mountain links" layout provides a truly remarkable experience.

Eagle Ranch Golf Course

Nestled in historic Brush Creek Valley, the Eagle Ranch Golf Course offers the unprecedented opportunity to play an Arnold Palmer designed course at an elevation of 6,600 feet. A ranch-style clubhouse features a picturesque covered porch, dining area and golf shop - all with impressive mountain views.

Eagle-Vail Golf Club

This Golf Digest four-star rated 18-hole championship golf course offers stunning views of the entire Vail Valley. Bordered by the Eagle River to the north and the White River National Forest to the south, and peaking at an elevation of 8,000 feet, the course features a full-service golf shop and an exceptional restaurant.

Vail Golf Club

Offering unmatched views of the Gore Range, the Vail Golf Club is right at the heart of Vail. Because golf balls fly further at 8,200 feet, bunkers, cart paths and water features are laid out with special care. Lessons, clinics and a full restaurant top off this remarkable course.
