Get Ready to Comply

MBA Compliance Essentials provides a clear picture of what your company needs to do to comply with new and existing mortgage rules. Our in-depth resource guides include model policies and procedures, and are meant to support your company’s creation of a robust Compliance Management System (CMS).

Materials are developed in collaboration with expert legal counsel from leading firms serving the real estate finance industry and the Mortgage Bankers Association (MBA). You get the benefit of the most in-demand attorneys focused on real estate finance, at an affordable cost.

Top Features

- Sample policies and procedures
- Compliance checklists and charts
- Comprehensive background and analysis by top industry legal experts in conjunction with MBA in-house legal staff
- Updates included as rules evolve
